

1. Can you tell us something about yourself?

I am Tri Ardiansyah. I am 22 years old. I am graduated from Politeknik Negeri Malang majoring at Informatics Management Study Program with GPA 3.65. I am a hard worker and can work individually or team work.

2. What experiences do you have that are relevant with this position?

I am interested in this position because, I have skills in HTML, CSS, PHP, JavaScript, also using framework CodeIgniter.

3. What did you learn during your time at university?

I learn about programming, such as web development, mobile development, game development, also learning about networking

4. What do you see as your strengths?

My strength is, I can work in a team, work hard, and I enjoy learning new things.

5. What do you see as your weakness?

My weakness is, I hard to focus when things get too busy and I'm not good at speaking. The way to overcome my weakness is to find a place that is less crowded, or listen to music that makes me feel calm. Then I will try to be a good speaker.

6. What attracted you to the position?

Six months ago, I did an internship program at CV. TR Makmur Sentosa as a web developer. And I have built two programs with the framework CodeIgniter, which are used commercially. These programs are inventory and Point of Sale.

7. How would your colleagues describe you?

I'm sure my coworkers will describe me as teamwork. because I will respect the opinions of my colleagues when working as a team

8. What sort of projects did you work on in your last position?

I am working on a project for PT Ekosjaya Abadi Lestari by creating a website-based warehouse inventory program that is used to record incoming and outgoing goods.

9. What university did you attend and why did you choose it?

I graduated from the Politeknik Negeri Malang and entered the Information Technology Department, I entered the Politeknik Negeri Malang because in terms of learning, there are more practices than theory

10. What do you know about our company?

saya melihat perusahaan anda telah berkiprah selama lebih dari 18 tahun, dengan reputasi yang sangat baik dalam produk branding, communication startegy, grapic design, dan digital.

klien anda bervariasi, mulai dari yayasan, hingga ke perusahaan terbesar di indonesia. Juga banya penghargaan yang diraih seperti Brand Consultancy of the Year oleh World Brand Congress in Global Brand Excellence Awards dan by Marketing Interactive in Agency of the Year Awards.

Oleh karena itu, Saya tertarik untuk menjadi bagian dari milestone integrated marketing solution.

I see your company has been around for more than 18 years, with an excellent reputation in branding, strategic communication, graphic design, and digital products.

Your clients vary, from foundations, to the largest companies in Indonesia. There are also many awards such as Brand Consultancy of the Year by the World Brand Congress in Global Brand Excellence Awards and by Marketing Interactive in Agency of the Year Awards.

Therefore, I am interested to be part of the milestone on an integrated marketing solution.

11. Where do you see yourself in five years?

Dalam lima tahun saya melihat diri saya dalam posisi project manager dan saya secara langsung bertanggung jawab atas proyek. Saya berencana untuk mulai dengan bekerja sebagai junior programmer bagian web developer dan kemudian mengembangkan diri saya ke senior programmer dalam waktu tiga tahun. Target saya dalam lima tahun kedepan adalah saya dapat menjadis seorang project manager. Yang paling penting adalah, saya ingin bekerja di perusahaan yang dapat menjadi tempat untuk membangun karier dan juga menjadi tempat belajar bagi saya

In five years I saw myself in a project manager position and I was directly in charge of projects. I plan to start working as a junior programmer in the web developer and then progress to a senior programmer in two years. My goal in the next five years is that I can become a project manager. The most important thing is, I want to work in a company that can be a place to build a career and also a place to study for me
